## Other foreign companies that chose Montréal

# Major business leaders talk about Montréal

Google is proud to be part of one of the most exciting tech ecosystems in the world. Montréal is a hub for AI research, tech talent and global innovation. We're excited to continue working together with our partners to support Montréal businesses and strengthen the local tech ecosystem for years to come.

**Sabrina Geremia**  
Vice President & Country  
Manager, Google Canada

Synechron is pleased to expand its Montréal footprint and increase our presence in this diverse and talented community which includes a vast pool of software development tech workers and IT professionals.

**Camille Labat**  
Senior Manager,  
Operations,  
Synechron Montréal

The next-generation workforce from Montréal technical colleges and universities have the opportunity to deliver the technology skills needed to drive business innovation.

**Xerxes Cooper**  
President,  
Kyndryl Canada

The combination of Montréal's culture of innovation, expertise in emerging technologies such as AI and machine learning, and not least, the time zone alignment with our clients on the Eastern Seaboard made it the logical choice.

**Amir Razmara**  
Cofounder and Chief  
Technology Officer,  
Avenue Code
