2 solutions to find your future candidate

Local recruitment

- Access to internationally trained talent already established in Québec
- Customized recruitment strategies tailored to your business needs
- Turnkey service designed to save you time and accelerate hiring

International recruitment

- Organization of recruitment missions abroad (e.g., France, Tunisia, Colombia)
- Access to highly qualified international profiles
- Comprehensive support before, during, and after the mission

We help you find THE right talent:

- Your job posting(s) featured on Talentmontreal.com
- Exclusive promotional campaigns
- Access to top candidates
- Strategic sourcing services

We also offer customized services tailored to your specific needs.
