Major business leaders talk about Montréal

Google is proud to be part of one of the most exciting tech ecosystems in the world. Montréal is a hub for AI research, tech talent and global innovation. We're excited to continue working together with our partners to support Montréal businesses and strengthen the local tech ecosystem for years to come.

Sabrina Geremia
Vice President & Country Manager, Google Canada

Morgan Stanley chose Montréal for its exceptional talent, world-class universities, and culture of innovation. We're proud to be part of a dynamic tech and financial ecosystem where rigor, expertise and bold ideas help us serve our clients worldwide.

David Cardon
Regional Co-Head,
Morgan Stanley Montréal

Morgan Stanley

Building a team in Montréal gives us the opportunity to tap into the incredible talent the city has to offer, to introduce our program and products to a new market and allows us to continue to work cross-functionally as a growing team.

Sean O'Donoghue
Chief Operating Officer,
TheGuarantors

The combination of Montréal's culture of innovation, expertise in emerging technologies such as AI and machine learning, and not least, the time zone alignment with our clients on the Eastern Seaboard made it the logical choice.

Soumen Roy
Executive Director &
Country Head, TCS Canada

Your strategic partner to support your establishment and expansion

We offer free support to foreign companies and subsidiaries already established in the Greater Montréal area for their investment projects.
